
Introduced by Senator Bowen

February 13, 2004

An act to amend Section 25506.5 of the Public Resources Code, relating to energy resources.

LEGISLATIVE COUNSEL'S DIGEST

SB 1281, as introduced, Bowen. Energy resources conservation and development: power facility and site certification.

Existing law provides that the State Energy Conservation and Development Commission (Energy Commission), with respect to power sites and related facilities requiring a certificate of public convenience and necessity, request that the Public Utilities Commission make comments and recommendations regarding the design, operation, and location of the facilities, as specified.

This bill would make technical, nonsubstantive changes in that provision.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 25506.5 of the Public Resources Code
2 is amended to read:
3 25506.5. ~~The~~ *For sites and related facilities requiring a*
4 *certificate of public convenience and necessity, the* commission
5 shall request the Public Utilities Commission, ~~for sites and related~~
6 ~~facilities requiring a certificate of public convenience and~~
7 ~~necessity~~, to make comments and recommendations regarding the

- 1 design, operation, and location of the facilities designated in the
- 2 notice in relation to the economic, financial, rate, system
- 3 reliability, and service implications of the proposed facilities.
